Michael Antonio once again dazzled the NY Fashion Week runways from February 1st through February 8th, 2008, complementing the Fall 2008 collections of seven unique designers: **James Coviello**, **Irina Shabayeva**, **Edwing D'Angelo**, **Lerario Beatriz**, **Joanna Mastroianni**, **Michael Angel**, and **Jose Duran**.

With an edgy mix of styles from **Toxxic**, **Paddington**, and **Frenzy**, to **Bessy**, **Cazadores**, and **Kiyah**, it's easy to see why Michael Antonio is a perennial favorite with designers.
